DIGITAL EMPOWERMENT: INNOVATION FOR SUSTAINABLE GROWTH AND FUTURE LEADERSHIP

Unleash the untapped potentials of digital transformation for future fitness at the MIA Accounting & Financial Technology Showcase 2024 (MIA AFT 2024). Billed as a one-stop showcase for transformative solutions that can revolutionise accounting and finance, the MIA AFT 2024 is the innovation platform that can elevate you and your organisation in today's challenging world.

Equipping business and finance leaders with digital acumen and the versatile skills to navigate through volatility and uncertainty, MIA AFT 2024 will focus on real case studies to demonstrate how businesses can embrace tech-driven solutions to heighten efficiency, effectiveness and performance. Importantly, MIA AFT 2024 will open the window to generative AI innovations that are reshaping the financial industry and positioning finance and accountancy professionals for coveted roles in executive leadership and sustainability.

At MIA AFT 2024, discover new vistas of innovation and advanced business solutions that can take your organisation to the next level. Join us as we collaborate with top technology leaders in our shared pursuit of growth, resilience and a more sustainable tomorrow.

ABOUT THE SHOWCASE

Digital transformation is critical to the future relevance of the profession. To ensure that our 40,000 members are digitally fit, the Malaysian Institute of Accountants (MIA) has curated the MIA Accounting Technology Conference (MIA Acctech Conference) for the past six years. Widely recognised as the leading technology conference geared to professionals in accounting and finance, the MIA AccTech has successfully facilitated access to technology by bringing together top tech vendors with businesses and accounting firms actively seeking and procuring technology solutions to revolutionize their performance.

In 2024, MIA is taking Acctech to the next level to harness the full potentials of digital transformation for future fitness. On 15 May 2024, Acctech will be reinvented as the MIA Accounting & Financial Technology Showcase 2024 (MIA AFT 2024), taking place at the state-of-the-art Malaysia International Trade and Exhibition Centre (MITEC). Attendees will have the chance to network in person, conduct business with SMEs, enterprises, and accounting firms, and gain valuable insights from experts and leading technology solution providers, with everything conveniently housed under one roof.

The MIA AFT 2024 renews MIA's commitment to updating accounting and finance leaders on the latest technology-driven advancements, while collaborating strategically with technology leaders to propose transformative solutions that can enhance accounting and finance processes, streamline operations, safeguard businesses, and harness the power of data analysis. Powered by strategic collaboration, the MIA AFT 2024 will connect corporations, small and medium enterprises (SMEs), accounting firms, the public sector, and academia with top technology leaders as we advance towards a more sustainable tomorrow.

THE EVENT THEATRES:

THEATRE 1 – DIGITAL TRANSFORMATION

Sponsored by Diamond Sponsor

Keynotes, Solo Sessions & Panel Discussions

Digital transformation has a profound impact on the accountancy profession, reshaping traditional practices and enabling accountants to work more efficiently, accurately, and strategically. In this Theatre, companies and businesses will share their digital transformation journeys and technology adoption processes, including how they tackle common challenges and leverage technology to create growth opportunities. Digital finance and accounting experts will also be on hand in this Theatre to discuss the latest digital solutions and trends.

THEATRE 2 – TECHNOLOGY IN PRACTICE

Solo Sessions & Panel Discussions

This Theatre is dedicated to accountants in practice, audit firms and corporate services firms, as technology is critical in improving their business operations and productivity. Sessions in this Theatre will focus on digital transformation of firms by implementing accounting technology solutions for increased efficiency, accuracy and transparency in financial processes. Companies providing strategic business advisory services and technology solutions that empower accountants in practice are invited to participate in this Theatre.

THEATRE 3 – STRATEGIC LEADERSHIP

Solo Sessions & Panel Discussions

CFOs today play a critical and multi-faceted role in advocating for technology adoption and ESG integration to elevate an organisation's financial strategy and operations. By aligning financial and ESG goals, CFOs contribute to the long-term sustainability and resilience of the business. Sessions in this Theatre will explore how CFOs and financial leaders can adopt and integrate technology within their organisations to drive the ESG and sustainability agenda for the greater good. Companies providing services, solutions and tools in risk management, business and ESG advisory, financial solutions and cybersecurity are invited to participate in this Theatre.

2ND THEATRE - TECHNOLOGY IN PRACTICE

Digitalising ISQM Implementation

International Standards on Quality Management (ISQM) adoption is compulsory for all audit firms in Malaysia. While many firms have successfully implemented ISQM, some continue to lag behind. The ISQM adoption process is especially challenging if done manually, yet technology advances can facilitate ISQM compliance. It is highly recommended that the System of Quality Management (SOQM) be digitalised to simplify and speed up the ISQM implementation process.
